Teams in each event can choose one item from Group A and Group B to participate in, and all teams in Group C can participate.

12. Competition Rules:

The International Dragon and Lion Dance Competition Rules and Judging Methods approved by the International Dragon and Lion Dance Federation in 2011 are adopted .

Each event will be drawn once to determine the order of appearance.

Each event will be competed once and the ranking will be determined based on the results.

13. Reward method:

The top three in each competition will be awarded trophies, medals and certificates.

14. Judges and Review:

1. The Preparatory Committee of the 7th Asian Dragon and Lion Dance Championship is responsible for the competition organization of the Championship under the guidance of the Executive Committee and Technical Committee of the Asian Dragon and Lion Dance Federation.
2. Each participating country or region may send one international referee (who must hold a valid international referee certificate issued by the organization upon registration).
3. The arbitration and technical officials shall be selected by the Asian Dragon and Lion Dance Federation, including 3-5 arbitrations , 1 chief referee, 3 deputy chief referees , and 1 referee from each participating country (about 10 people). The Indonesian National Dragon and Lion Dance Association shall send 10 people to assist the referees.

15. Appeal:

1. Where there are express provisions in the rules and where there are equivalent interpretations, the decision of the referee shall be final and no objection may be raised.
2. Appeals regarding athlete qualifications should be made before the start of the competition. Other appeals should be made within 30 minutes after the end of the competition, otherwise they will not be accepted.

16. Penalties:

1. If any team has an unqualified athlete or uses an unqualified athlete to compete, upon verification, the team will be disqualified from the competition and will be disqualified from the ranking or score it has or should have obtained, and any trophies, medals and certificates it has been awarded will be taken back.
2. If any participating team engages in behavior that violates the spirit of sportsmanship, such as inappropriate behavior toward referees, delaying the game, obstructing the game, disrupting the venue, etc., the organizer

will disqualify the team from the competition.

17. Notes for Participants:

1. Registered athletes and team members must purchase accident insurance and medical insurance by themselves; event staff and referees are all purchased accident insurance and medical insurance by the event.

2. During the opening and closing ceremonies, all participating teams from their respective countries and regions must bring their national flags, regional flags, team flags, etc.

3. Each participating team is requested to prepare the national anthem music /USB of their respective country or region .

4. Competition period (October The teams will check in on October 16 and leave on October 21). The organizer will provide airport to hotel transfer, accommodation and other on-site reception for each participating team.

5. Each sports team that arrives early or leaves late will be charged \$ 100 per person per day .

18. The final right of interpretation of this Constitution shall be decided by the General Assembly. In case of any matters not covered, the announcement of the General Assembly shall prevail.
